

Criteria to Determine Dual Members' Service

The flow chart below can be used to help guide dual members who wish to participate in Al-Anon service at or above the group level. This chart is a partial list and not all inclusive. Opportunities to serve Al-Anon outside the World Service Conference structure may be available to dual members subject to the service arm's autonomy. A service position within the World Service Conference structure could lead to membership in the World Service Conference and is therefore unavailable to dual members.

* Available if position is non-voting on policy matters.
